## REPORT ON THE VIRTUAL HOUSE OF DELEGATES

May 12-18, 2023

---

### RESULTS OF THE VOTING

From May 12 to 18, the ASHP House of Delegates (roster attached as an Appendix) voted on seven policy recommendations. Delegates approved five policy recommendations statements by 85% or more, the threshold for final approval.

The five policy recommendations **approved** are as follows (percentage of delegates voting to approve follows the policy title):

**Payer-Directed Drug Distribution Models (90.9%)**

*Source: Council on Pharmacy Management*

To advocate that insurers and pharmacy benefit managers be prohibited from mandating drug distribution models that introduce patient safety and supply chain risks or limit patient choice.

*Note: This policy supersedes ASHP policy 2248.*

**Use of Social Determinants of Health Data in Pharmacy Practice (88.1%)**

*Source: Council on Pharmacy Management*

To encourage the use of patient and community social determinants of health (SDoH) data in pharmacy practice to optimize patient care services, reduce healthcare disparities, and improve healthcare access and equity; further,

To educate the pharmacy workforce and learners about SDoH domains, including their impact on patient care delivery and health outcomes; further,

To encourage research to identify methods, use, and evaluation of SDoH data to positively influence key quality measures and patient outcomes.

*Note: This policy supersedes ASHP policy 2249.*

**Pharmacy Accreditations, Certifications, and Licenses (86.7%)**

*Source: Council on Pharmacy Management*

To advocate that healthcare accreditation, certification, and licensing organizations adopt consistent standards for the medication-use process, based on established evidence-based principles of patient safety and quality of care; further,

To advocate that health-system administrators allocate the resources required to support medication-use compliance and regulatory demands.

*Note: This policy supersedes ASHP policy 1810.*

**ASHP Statement on Leadership as a Professional Obligation (98.1%)**

*Source: Council on Pharmacy Management*

To approve the ASHP Statement on Leadership as a Professional Obligation.

*Note: This statement supersedes the ASHP Statement on Leadership as a Professional Obligation dated June 12, 2011.*

**ASHP Statement on Criteria for an Intermediate Category of Drugs (90.9%)**

*Source: Council on Therapeutics*

To discontinue the ASHP Statement on Criteria for an Intermediate Category of Drugs.

The House **voted to not approve** the two following policy recommendations by the 85% supermajority and will be considered by the House of Delegates in June:

**Reducing Healthcare Sector Carbon Emissions to Promote Public Health (81.9%)**

*Source: Council on Pharmacy Practice*

To promote reducing carbon emissions from the healthcare sector through collaboration with other stakeholders; further,

To encourage members of the pharmacy workforce to seek out opportunities to engage in efforts to reduce carbon emissions in their workplaces and communities.

**ASHP Statement on Precepting as a Professional Obligation (83.4%)**

*Source: Section of Pharmacy Educators*

To approve the ASHP Statement on Precepting as a Professional Obligation.

**NOTES ON VOTING**

Over 95% (211) of delegates to the virtual House of Delegates participated in the voting, with 94% (154) of state delegates voting and 88% of state delegations having 100% participation by their delegates.
